Child Development Division Mission

The mission of the Child Development Division is to improve the well-being of Vermont’s Children. We do this in partnership with families, communities, schools, providers and state and federal agencies to assure access to quality, economically viable, child development services.

The State of Vermont is committed to ensuring that all of the programs and facilities are accessible to all members of the public, and that all activities and programs are non-discriminatory in design, application, and performance. The State of Vermont is an equal-opportunity employer and does not discriminate on the basis of race, creed, color, national origin, gender, age, handicapping condition and/or disability, or sexual orientation.

REGULATIONS FOR FAMILY DAY CARE HOMES

SECTION I – ADMINISTRATION:

1. The Registrant, and all other caregivers, shall be at least eighteen (18) years of age, able to read, and physically, mentally, and emotionally capable of performing activities normally related to the provision of child care.

2. The Registrant, and all other persons in the home, shall not use or be under the influence of alcohol and/or drugs (except over the counter medication which would not impair the ability of the caregiver to provide child care) during the hours of care. Medication prescribed by a physician that, in the opinion of the physician, does not impair the ability to provide adequate care and supervision during the hours of care may be taken.

3. A person shall be prohibited from the Registered Family Day Care Home when her/his presence or behavior disrupts the program, distracts the staff from their responsibilities, intimidates or promotes fear among the children, or when there is reason to believe that their action or behavior will present child in care with risk of harm.

4. The following person may not operate, reside at, be employed at or be present at a Family Day Care Home:
   a) persons convicted of fraud, felony or and offense involving violence or unlawful sexual activity or other bodily injury to another person including, but not limited to abuse, neglect or sexual activity with a child; or
   b) persons found by a court to have abused, neglected or mistreated a child;
   c) adults or children who have had a report of abuse or neglect substantiated against them under Chapters 49 and 69 of Title 33 Vermont Statutes Annotated.

5. The Registrant shall be responsible for the actions of all caregivers, as well as all other persons in the home, and shall ensure that compliance with the Family Day Care Home Registration Regulations is maintained.

6. Beginning July 1, 1994, prior to re-registration Registrants shall present to the Division evidence that they hold a valid certification certificate in infant/child CPR.

7. Daily attendance records, listing dates of attendance for each child shall be kept on file for a period of at least 12 months.

8. The Family Day Care Home shall meet all applicable requirements of the Vermont Department of Taxes and Americans with Disabilities Act.
SECTION II – PROGRAM:

1. A registrant may provide care in their home to six (6) children at any on time and, in addition to the six may care for up to four (4) school-age children for not more than 4 hours daily per child. (See Options on Next Page).

2. There shall be at least one caregiver present and providing child care at all times when children are in care.

   During outside play:
   a. Infants and toddlers shall be supervised by a caregiver present,
   b. Preschoolers and school age children may be monitored from inside the home if their area of play is within sight and earshot of a caregiver.

3. Sleeping children shall be monitored by periodic in-person checks. Nursery monitors may be used in addition to in-person checks.

4. The caregiver shall provide a daily routine which includes quiet and active play, with indoor and outdoor activities appropriate to the development on the children in care.

5. The majority of an infant’s or toddler’s awake time in child care shall be out of the cribs, playpens, walkers, infant swings, and infant seats, in a safe place where s/he may explore freely.

6. There shall be a variety of suitable and safe equipment, furnishings and materials for learning, play and resting which are appropriate to the ages and developmental level of the children in care.

7. A Family Day Care Home shall not provide care, for compensation, to any adult other than the Registrant’s own adult relatives.

8. Television viewing or participation in video games shall:
   a. be educational;
   b. designed for children; and
   c. not exceed two (2) hours per day.

9. Children shall be attended to when they cry indication they need assistance.

3. The sewage disposal system shall function properly so as not to create a health hazard.

4. There shall be at least one properly functioning toilet and hand sink with hot and cold running water available in the home for use by the children.

5. Meals and snacks provided by the Registrant shall be adequate, nutritious,
clean and free from spoilage. Emphasis shall be on foods that are unprocessed, low in salt and sugar. Meals and snacks provided by the parent shall be stored and served in a manner to prevent spoilage. Drinking water shall be available to children upon request. Powdered milk shall only be used in cooking. Fluid milk shall be pasteurized.

6. The Registrant and all other caregivers shall be knowledgeable in administering basic first aid.

7. There shall be basic first aid supplies which include, at a minimum:
   - Adhesive
   - Bandages
   - Sterile gauze dressings
   - Latex gloves
   - Rolls of gauze bandages
   - Thermometer or fever strip
   - Tweezers
   - Syrup of ipecac

   An easy reference first aid manual shall be available and accessible. This kit shall be replenished as supplies are used. The supplies shall be stored in a container which is clearly marked “First Aid” and is easily accessible to the caregiver and transportable.

8. Smoking tobacco is prohibited in the presence of children who are in care.

9. When children in care are not toilet trained, the Registrant shall provide and utilize a clean and sanitary place for changing and storing diapers which is in an area of the home where food is not stored, prepared or served.

10. Children in care shall be protected from any and all conditions which threaten a child’s health, safety and well-being. This includes protecting children from stoves, pools, poisons, window covering pull cords, asbestos, wells, known vicious animals, medications, dust or chips from lead paint, traffic and other hazards.

11. Prior to transporting children, the Registrant shall have parental permission in writing.

12. When being transported in a motor vehicle, all children, except children who have physical conditions which prevent the use of a child safety seat or a seat belt, must be properly restrained in accordance with the following chart:
<table>

- Poison Center 1-800-222-1222
- Children’s parent’s home and work numbers

An unpublished phone number of the Registrant shall be known to the department and parents.

17. The heating system(s), including the chimney(s), shall have been checked by a qualified person and been found to be properly installed and operating safely prior to offering day care services and not more than 45 days prior to receipt by the Division of the Application for Registration. The system(s) shall operate so as to sufficiently warm the home in a safe manner.

18. Unvented kerosene heaters are prohibited in areas where children are in care.

19. Children may be present and receive care in the basement or on the first and second floor levels provided there are at least two separate means of exit per level. Care can be provided to children above the second floor only when construction of the building has been determined to meet applicable fire safety codes. The physical abilities of each child/caregiver shall be considered when using the basement or second floor. The caregiver must be physically able to assist the exiting of all
children in case of emergency. One of the exits may be an easily accessible unblocked window to the outside. If a window is used as an exit its opening shall be at least 5 square feet with no dimension less than 20 inches and shall be made immediately openable and easily accessible to children and staff. If such a window is utilized as an exit on the second floor it shall lead to permanently installed stairs or a rigid ladder to the ground. Bulkhead type doors are prohibited as exits. At least one basement exit must open directly to the outside.

20. Areas used by children shall be well lighted, well ventilated, clean, free from hazardous substances and sufficient in size to permit children to move about freely.

21. There shall be an emergency evacuation plan posted consisting of a simple, clear drawing which shows evacuation routes.

   a. A plan shall be in place to assure that all children are accounted for at a predetermined safe place.

   b. The plan, which may be preannounced, shall be practiced at least once each month.

   c. A written record of the dates practiced shall be maintained.

   d. Evacuation shall be completed within three minutes.

22. There shall be a properly installed and functioning U.L. approved smoke detector installed on the ceiling or between six and twelve inches from the ceiling on each floor preferably at the head of each stairway. Batteries shall be replaced at least annually within thirty (30) days prior to the signing of the Application for Re-Registration.

23. There shall be at least one easily accessible dry chemical fire extinguisher which has at least a 2-A: 10-BC classification. This extinguisher shall be maintained in an operating condition. The extinguisher shall bear an official tag, properly signed, attesting to the inspection within 30 days of registration or re-registration. All caregivers shall be familiar with the use and handling of the extinguisher. The extinguisher shall be convenient to the kitchen area and easily accessible.

24. Playpens and additional equipment constructed of mesh and other material shall be free of holes and other damage/defects. The openings between vertical uprights in cribs and playpens shall be no more than two and three-eighths (2 3/8) inches wide.
25. All weapons (guns, hunting knives, archery equipments, etc.) shall be unloaded and inaccessible. Ammunition shall be stored separately in a secure place.

SECTION VI – RELATIONSHIP BETWEEN REGISTRANT AND DIVISION OF LICENSING & REGULATION:

1. The Registrant shall post notices of violations in a conspicuous place in the home. Notice of Violation shall be posted for 30 days or until a parent of each child enrolled has initialed the Notice. It shall be on file at the Registered Family Day Care Home for a period of at least one year.

2. The Registrant shall notify the parent of each enrolled child, by mail, of a serious violation. In the case where the child’s parents are separated or divorced, a copy shall be mailed to each parent if both are known and the Registrant has a relationship with both parents. Notification shall be independent of any other written correspondence.

3. The Division may make available copies of such Notice of Violation to trainers, resource and referral, Child and Adult Food Program, the Division of Social Services, and the Child Care Services Division.

4. The Registrant shall provide the Division of Licensing with a completed application form and three (3) positive written references. These references shall be sent directly to the Division of Licensing and Regulation without prior review by the registrant. The Registrant shall, within 90 days of becoming registered attend orientation, if such is available through the Department.

5. Upon request, a Registrant shall provide the Department with a list of the names, addresses and telephone numbers of families served during the prior twelve months and dates of attendance. The Department shall contact the Registrant by telephone, or in writing, to inform the Registrant of the request and to gather the information.

6. The Registrant shall permit visits, inspections and examination of the Family Day Care Home, its records, equipment and materials at reasonable hours by representatives of the Division. The Division representatives shall make a reasonable effort to announce their presence and identify themselves prior to entering the home.

7. The Division may deny the issuance of a Registration Certificate if it has
found that the person who has submitted the Application for Registration has not complied with these regulations or has demonstrated behavior which indicates an inability to care adequately for children.

8. The applicant or Registrant shall not interfere with, impede, deter, provide false information or cause another to do any of the aforementioned, or in any manner hinder the Department or its agent(s) in an investigation or inspection.

9. A violation of any section of the law or regulations regarding a Family Day Care Home may be cause for the revocation of the Registration Certificate.

10. When there is reason to believe that the health, safety or well-being of children in care is immediately imperiled, the registration certificate may be suspended.

11. When violations are found to exist, the Department may offer a registrant the opportunity to develop a program improvement plan whereby the violations will be corrected within a time period specified by the Division. Such opportunity may not be provided when the violation poses risk of harm or is of repeated nature.

12. An intention of the Division to revoke a registration or a decision to suspend it, shall be communicated in writing, and shall set forth the facts of conduct which the Division believes warrants the intended action. This notice shall contain the registrant’s rights to hearing and appeal.

   a. If the Registrant is aggrieved by the intended action, he or she must indicate to the Department or the Human Services Board that they wish to challenge the action within thirty (30) days from the date of mailing of the Division’s letter of intended action.

   b. Such a grievance shall be considered a request for a hearing and fair hearing before the Human Services Board pursuant to 3 VSA 3091. If the Registrant has not already requested a fair hearing, the Division shall notify the Board of the Registrant’s appeal.

   c. Within fifteen (15) days of the receipt of the grievance the Commissioner shall commence a review of the intended action and provide the Registrant with an opportunity to be heard with regard to the intended action.

   d. The Registrant may submit a written response to the letter of intended
action or may present his or her position to the Commissioner, or his/her designee, in person or through an attorney or other representative. At that time the Registrant may bring witnesses, documents or present any other evidence in their behalf.

e. The burden of proving facts alleged as the basis for the intended action shall be on the Department.

f. After the hearing the Commissioner shall notify the Registrant in writing of the decision of the Department regarding the intended action. If the Commissioner decides that the intended action should take place, an appeal will be conducted according to the rules of the Human Services Board. Notice of the Department’s intended action shall be posted in the home in a place where parents can see and read it.

g. Unless the Registration Certificate has been suspended it shall remain in effect until the Human Services Board enters its final decision on the appeal.

13. The Registrant shall report to the Department within 24 hours all instances of suspected child abuse and/or neglect as mandated by 33 VSA, Chapter

14. The Registrant shall distribute to the parents materials and information provided by the Division which relate to the health, safety and well-being of the children.

15. In addition to CPR training, the Registrant shall attend annually at least six (6) hours of interactive developmental activities in areas such as child development, discipline/behavior management, health and safety, age appropriate activities, first aid, child abuse prevention and detection, working with parents, children with special needs, the child care environment, community early childhood resources or other topics approved by the Division. At the time of re-registration, the Registrant shall list the activities attended, as well as their dates and places of occurrence.

16. The Commissioner, upon request in an individual case, and in his or her discretion, may grant a variance to a regulation. A variance may be granted when in unique and exceptional circumstances literal application of a regulation will result in an unnecessary hardship, and the intent of the regulation can be achieved by other means.

17. The Division may attach conditions to a Registration when circumstances warrant.
18. A Variance Review Panel may be established by the Division on behalf of
the Commissioner to assist in consideration of variance requests. The
burden of establishing that a variance should be granted rests with the
applicant.

19. The Department may notify parents of enrolled children in the event that
the Registration has been suspended or is the subject of intended
revocation.

20. A Registrant may not provide respite care for foster children, or foster care,
either licensed or provisional, except that they may provide respite or short
term foster care to a child who is already enrolled in their registered family
day care home.
