CHAPTER 1.

General Provisions.

§ 63.2-100. Definitions.

As used in this title, unless the context requires a different meaning:

"Abused or neglected child" means any child less than 18 years of age:

1. Whose parents or other person responsible for his care creates or inflicts, threatens to create or inflict, or allows to be created or inflicted upon such child a physical or mental injury by other than accidental means, or creates a substantial risk of death, disfigurement, or impairment of bodily or mental functions, including but not limited to, a child who is with his parent or other person responsible for his care either (i) during the manufacture or attempted manufacture of a Schedule I or II controlled substance, or (ii) during the unlawful sale of such substance by that child's parents or other person responsible for his care, where such manufacture, or attempted manufacture or unlawful sale would constitute a felony violation of § 18.2-248;

2. Whose parents or other person responsible for his care neglects or refuses to provide care necessary for his health. However, no child who in good faith is under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination shall for that reason alone be considered to be an abused or neglected child. Further, a decision by parents who have legal authority for the child or, in the absence of parents with legal authority for the child, any person with legal authority for the child, who refuses a particular medical treatment for a child with a life-threatening condition shall not be deemed a refusal to provide necessary care if (i) such decision is made jointly by the parents or other person with legal authority and the child; (ii) the child has reached 14 years of age and is sufficiently mature to have an informed opinion on the subject of his medical treatment; (iii) the parents or other person with legal authority and the child have considered alternative treatment options; and (iv) the parents or other person with legal authority and the child believe in good faith that such decision is in the child's best interest. Nothing in this subdivision shall be construed to limit the provisions of § 16.1-278.4;

3. Whose parents or other person responsible for his care abandons such child;

4. Whose parents or other person responsible for his care commits or allows to be committed any act of sexual exploitation or any sexual act upon a child in violation of the law;

5. Who is without parental care or guardianship caused by the unreasonable absence or the mental or physical incapacity of the child's parent, guardian, legal custodian or other person standing in loco parentis; or

6. Whose parents or other person responsible for his care creates a substantial risk of physical or mental injury by knowingly leaving the child alone in the same dwelling, including an apartment as defined in § 55-79.2, with a person to whom the child is not related by blood or marriage and who the parent or other person responsible for his care knows has been convicted of an offense against a minor for which registration is required as a violent sexual offender pursuant to § 9.1-902.

A. Every person who constitutes, or who operates or maintains, an assisted living facility, adult day care center or child welfare agency shall obtain the appropriate license from the Commissioner, which may be renewed. The Commissioner, upon request, shall consult with, advise, and assist any person interested in securing and maintaining any such license. Each application for a license shall be made to the Commissioner, in such form as he may prescribe. It shall contain the name and address of the applicant, and, if the applicant is an association, partnership, limited liability company or corporation, the names and addresses of its officers and agents. The application shall also contain a description of the activities proposed to be engaged in and the facilities and services to be employed, together with other pertinent information as the Commissioner may require.

B. The licenses shall be issued on forms prescribed by the Commissioner. Any two or more licenses may be issued for concurrent operation of more than one assisted living facility, adult day care center or child welfare agency, but each license shall be issued upon a separate form. Each license and renewals thereof for an assisted living facility, adult day care center or child welfare agency may be issued for periods of up to three successive years, unless sooner revoked or surrendered. Licenses issued to child day centers under this chapter shall have a duration of two years from date of issuance.

C. The length of each license or renewal thereof for an assisted living facility shall be based on the judgment of the Commissioner regarding the compliance history of the facility and

the extent to which it meets or exceeds state licensing standards. Based on this judgment, the Commissioner may issue licenses or renewals thereof for periods of six months, one year, two years, or three years.

D. The Commissioner may extend or shorten the duration of licensure periods for a child welfare agency whenever, in his sole discretion, it is administratively necessary to redistribute the workload for greater efficiency in staff utilization.

E. Each license shall indicate the maximum number of persons who may be cared for in the assisted living facility, adult day care center or child welfare agency for which it is issued.

F. The license and any other documents required by the Commissioner shall be posted in a conspicuous place on the licensed premises.

G. Every person issued a license that has not been suspended or revoked shall renew such license prior to its expiration.

§ 63.2-1702. Investigation on receipt of application.

Upon receipt of the application the Commissioner shall cause an investigation to be made of the activities, services and facilities of the applicant, of the applicant's financial responsibility, and of his character and reputation or, if the applicant is an association, partnership, limited liability company or corporation, the character and reputation of its officers and agents. In the case of child welfare agencies, the financial records of an applicant shall not be subject to inspection if the applicant submits a current balance sheet and income statement accompanied by a letter from a certified public accountant certifying the accuracy thereof and three credit references. In the case of child welfare agencies and assisted living facilities, the character and reputation investigation upon application shall include background checks pursuant to § 63.2-1721; however, a children's residential facility shall comply with the background check requirements contained in § 63.2-1726.

(Code 1950, §§ 63-223.2, 63-234, 63-235; 1954, c. 259; 1968, cc. 578, 585, §§ 63.1-176, 63.1-197, 63.1-198; 1972, c. 540; 1975, c. 439; 1985, c. 360; 1987, c. 693; 1992, cc. 356, 746 § 63.1-194.6; 1993, cc. 730, 742; 1995, c. 401; 1996, c. 747; 1997, c. 427; 1998, cc. 551, 581; 2002, c. 747; 2005, cc. 610, 924.)

§ 63.2-1703. Variances.

The Commissioner may grant a variance to a regulation when the Commissioner determines that (i) a licensee or applicant for licensure as an assisted living facility, adult day center or child welfare agency has demonstrated that the implementation of a regulation would impose a substantial financial or programmatic hardship and (ii) the variance would not adversely affect the safety and well-being of residents, participants or children in care. The Commissioner shall review each allowable variance at least annually. At a minimum, this review shall address the impact of the allowable variance on persons in care, adherence by the licensee to any conditions attached, and the continuing need for the allowable variance.

A. Any person who maintains a family day home serving fewer than six children, exclusive of the provider's own children and any children who reside in the home, may apply for voluntary registration. An applicant for voluntary registration shall file with the Commissioner, prior to beginning any such operation and thereafter biennially, an application which shall include, but not be limited to, the following:

1. The name, address, phone number, and social security number of the person maintaining the family day home;

4. Documentation that the background check requirements for registered child welfare agencies in Article 3 (§ 63.2-1719 et seq.) of this chapter have been met.

B. The Board shall adopt regulations for voluntarily registered family day homes that include, but are not limited to:

1. The criteria and process for the approval of the certificate of registration;
2. Requirements for a self-administered health and safety guidelines evaluation checklist;
3. A schedule for fees to be paid by the providers to the contract organization or to the Department if it implements the provisions of this section for processing applications for the voluntary registration of family day homes. The charges collected shall be maintained for the purpose of recovering administrative costs incurred in processing applications and certifying such homes as eligible or registered;
4. The criteria and process for the renewal of the certificate of registration; and
5. The requirement that upon receipt of a complaint concerning a registered family day home, the Commissioner shall cause an investigation to be made, including on-site visits as he deems necessary, of the activities, services, and facilities. The person who maintains such home shall afford the Commissioner reasonable opportunity to inspect the operator's facilities and records and to interview any employees and any child or other person within his custody or control. Whenever a registered family day home is determined by the Commissioner to be in noncompliance with the regulations for voluntarily registered family day homes, the Commissioner shall give reasonable notice to the operator of the nature of the noncompliance and may thereafter revoke or suspend the registration.

C. Upon receiving the application on forms prescribed by the Commissioner, and after having determined that the home has satisfied the requirements of the regulations for voluntarily registered family day homes, the Commissioner shall issue a certificate of registration to the family day home.

D. The Commissioner shall contract in accordance with the requirements of the Virginia Public Procurement Act (§ 2.2-4300 et seq.) with qualified local agencies and community organizations to review applications and certify family day homes as eligible for registration, pursuant to the regulations for voluntarily registered family day homes. If no qualified local agencies or community organizations are available, the Commissioner shall implement the provisions of this section. "Qualified" means demonstrated ability to provide sound financial management and administrative services including application processing, maintenance of records and reports, technical assistance, consultation, training, monitoring, and random inspections.

CODE OF VIRGINIA

F. The contract organization, upon determining that a family day home has satisfied the requirements of the regulations for voluntarily registered family day homes, shall certify the home as eligible for registration on forms prescribed by the Commissioner. The Commissioner, upon determining that certification has been properly issued, may register the family day home.

G. The provisions of this section shall not apply to any family day home located in a county, city, or town in which the governing body provides by ordinance for the regulation and licensing of persons who provide child-care services for compensation and for the regulation and licensing of child-care facilities pursuant to the provisions of § 15.2-914.

Interviews conducted pursuant to this section with persons living or participating in a facility operated by or under the custody, control, direction, or supervision of an applicant for licensure or a licensee shall be (i) authorized by the person to be interviewed or his legally authorized representative and (ii) limited to discussion of issues related to the applicant's or licensee's compliance with applicable laws and regulations, including ascertaining if assessments and reassessments of residents' cognitive and physical needs are performed as required under regulations of the Board.

§ 63.2-1707. Issuance or refusal of license; notification; provisional and conditional licenses.

Upon completion of his investigation, the Commissioner shall issue an appropriate license to the applicant if (i) the applicant has made adequate provision for such activities, services and facilities as are reasonably conducive to the welfare of the residents, participants or children over whom he may have custody or control; (ii) the applicant has submitted satisfactory documentation of financial responsibility such as, but not limited to, a letter of credit, a certified financial statement, or similar documents; (iii) he is, or the officers and agents of the applicant if it is an association, partnership, limited liability company or corporation are, of good character and reputation; and (iv) the applicant and agents comply with the provisions of this subtitle. Otherwise, the license shall be denied. Immediately upon taking final action, the Commissioner shall notify the applicant of such action.

Upon completion of the investigation for the renewal of a license, the Commissioner may issue a provisional license to any applicant if the applicant is temporarily unable to comply with all of the licensure requirements. The provisional license may be renewed, but the issuance of a provisional license and any renewals thereof shall be for no longer a period than six successive months. A copy of the provisional license shall be prominently displayed by the provider at each public entrance of the subject facility and shall be printed in a clear and legible size and style. In addition, the facility shall be required to prominently display next to the posted provisional

At the discretion of the Commissioner, a conditional license may be issued to an applicant to operate a new facility in order to permit the applicant to demonstrate compliance with licensure requirements. Such conditional license may be renewed, but the issuance of a conditional license and any renewals thereof shall be for no longer a period than six successive months. (Code 1950, §§ 63-224.1, 63-236, 63-238; 1954, c. 259; 1968, c. 578, §§ 63.1-178, 63.1-199, 63.1-201; 1981, c. 222; 1985, c. 360; 1987, cc. 130, 692; 1988, c. 199; 1992, cc. 356, 666, § 63.1-194.8; 1993, cc. 730, 742; 1996, c. 747; 1998, cc. 551, 581, 1999, c. 740; 2002, c. 747; 2005, cc. 610, 924.)

§ 63.2-1708. Records and reports.

Every licensed assisted living facility, licensed adult day care center, licensed or registered child welfare agency, or family day home approved by a family day system shall keep such records and make such reports to the Commissioner as he may require. The forms to be used in the making of such reports shall be prescribed and furnished by the Commissioner. (Code 1950, § 63-240; 1968, c. 578, § 63.1-203; 1978, c. 730; 2000, c. 830; 2002, c. 747.)

§ 63.2-1709. Enforcement and sanctions; assisted living facilities and adult day care centers; interim administration; receivership, revocation, denial, summary suspension.

A. Upon receipt and verification by the Commissioner of information from any source indicating an imminent and substantial risk of harm to residents, the Commissioner may require an assisted living facility to contract with an individual licensed by the Board of Long-Term Care Administrators, to be either selected from a list created and maintained by the Department of Medical Assistance Services or selected from a pool of appropriately licensed administrators recommended by the owner of the assisted living facility, to administer, manage, or operate the assisted living facility on an interim basis, and to attempt to bring the facility into compliance with all relevant requirements of law, regulation, or any plan of correction approved by the Commissioner. Such contract shall require the interim administrator to comply with any and all requirements established by the Department to ensure the health, safety, and welfare of the residents. Prior to or upon conclusion of the period of interim administration, management, or operation, an inspection shall be conducted to determine whether operation of the assisted living facility shall be permitted to continue or should cease. Such interim administration, management, or operation shall not be permitted when defects in the conditions of the premises of the assisted living facility (i) present imminent and substantial risks to the health, safety, and welfare of residents, and (ii) may not be corrected within a reasonable period of time. Any decision by the Commissioner to require the employment of a person to administer, manage, or operate an assisted living facility shall be subject to the rights of judicial review and appeal as provided in the Administrative Process Act (§ 2.2-4000 et seq.). Actual and reasonable costs of such interim administration shall be the responsibility of and shall be borne by the owner of the assisted living facility.

B. The Board shall adopt regulations for the Commissioner to use in determining when the imposition of administrative sanctions or initiation of court proceedings, severally or jointly, is appropriate in order to ensure prompt correction of violations in assisted living facilities and adult day care centers involving noncompliance with state law or regulation as discovered through any inspection or investigation conducted by the Departments of Social Services, Health, or Behavioral Health and Developmental Services. The Commissioner may impose such

CODE OF VIRGINIA

Effective July 1, 2012

sanctions or take such actions as are appropriate for violation of any of the provisions of this subtitle or any regulation adopted under any provision of this subtitle that adversely affects the health, safety or welfare of an assisted living facility resident or an adult day care participant. Such sanctions or actions may include (i) petitioning the court to appoint a receiver for any assisted living facility or adult day care center and (ii) revoking or denying renewal of the license for the assisted living facility or adult day care center for violation of any of the provisions of this subtitle, § 54.1-3408 or any regulation adopted under this subtitle that violation adversely affects, or is an imminent and substantial threat to, the health, safety or welfare of the person cared for therein, or for permitting, aiding or abetting the commission of any illegal act in an assisted living facility or adult day care center.

C. The Commissioner may issue a summary order of suspension of the license to operate the assisted living facility pursuant to the procedures hereinafter set forth in conjunction with any proceeding for revocation, denial, or other action when conditions or practices exist that pose an imminent and substantial threat to the health, safety, and welfare of the residents. Before a summary order of suspension shall take effect, the Commissioner shall issue to the assisted living facility a notice of summary order of suspension setting forth (i) the procedures for the summary order of suspension, (ii) hearing and appeal rights as provided under this subsection, and (iii) facts and evidence that formed the basis for which the summary order of suspension is sought. Such notice shall be served on the assisted living facility or its designee as soon as practicable thereafter by personal service or certified mail, return receipt requested, to the address of record of the assisted living facility. The order shall state the time, date, and location of a hearing to determine whether the suspension is appropriate. Such hearing shall be presided over by a hearing officer selected by the Commissioner from a list prepared by the Executive Secretary of the Supreme Court of Virginia and shall be held as soon as practicable, but in no event later than 15 business days following service of the notice of hearing; however, the hearing officer may grant a written request for a continuance, not to exceed an additional 10 business days, for good cause shown. After such hearing, the hearing officer shall provide to the Commissioner written findings and conclusions, together with a recommendation whether the license should be summarily suspended, whereupon the Commissioner shall adopt the hearing officer's recommended decision unless to do so would be an error of law or Department policy. Any final agency case decision in which the Commissioner rejects a hearing officer's recommended decision shall state with particularity the basis for rejection. The Commissioner shall issue: (a) a final order of summary suspension or (b) an order that summary suspension is not warranted by the facts and circumstances presented. A final order of summary suspension shall include notice that the assisted living facility may appeal the Commissioner's decision to the appropriate circuit court no later than 10 days following service of the order. A copy of any final order of summary suspension shall be prominently displayed by the provider at each public entrance of the facility, or in lieu thereof, the provider may display a written statement summarizing the terms of the order in a prominent location, printed in a clear and legible size and typeface, and identifying the location within the facility where the final order of summary suspension may be reviewed.

Upon appeal, the sole issue before the court shall be whether the Department had reasonable grounds to require the assisted living facility to cease operations during the pendency of the concurrent revocation, denial, or other proceeding. Any concurrent revocation, denial, or other proceeding shall not be affected by the outcome of any hearing on the appropriateness of the summary order of suspension. Failure to comply with the summary order of suspension shall

constitute an offense under subdivision 1 of § 63.2-1712. All agencies and subdivisions of the Commonwealth shall cooperate with the Commissioner in the relocation of residents of an assisted living facility whose license has been summarily suspended pursuant to this section and in any other actions necessary to reduce the risk of further harm to residents.

D. Notice of the Commissioner's intent to revoke or deny renewal of the license for the assisted living facility shall be provided by the Department and a copy of such notice shall be posted in a prominent place at each public entrance of the licensed premises to advise consumers of serious or persistent violations. In determining whether to deny, revoke, or summarily suspend a license, the Commissioner may choose to deny, revoke, or summarily suspend only certain authority of the assisted living facility to operate, and may restrict or modify the assisted living facility's authority to provide certain services or perform certain functions that the Commissioner determines should be restricted or modified in order to protect the health, safety, or welfare of the residents. Such denial, revocation, or summary suspension of certain services or functions may be appealed as otherwise provided in this subtitle for any denial, revocation, or summary suspension. (Code 1950, § 63-249; 1968, c. 578, § 63.1-212; 1991, c. 532, § 63.1-179.1; 1992, c. 356, § 63.1-194.9; 1993, cc. 730, 742, 957, 993, § 63.1-211.3; 1998, cc. 115, 397, 850; 2002, c. 747; 2005, cc. 610, 924; 2009, cc. 813, 840.)

§ 63.2-1709.1. Enforcement and sanctions; child welfare agencies; revocation and denial.

The Commissioner may revoke or deny the renewal of the license of any child welfare agency that violates any provision of this subtitle or fails to comply with the limitations and standards set forth in its license.
(2005, cc. 610, 924.)

§ 63.2-1709.2. Enforcement and sanctions; special orders; civil penalties.

A. Notwithstanding any other provision of law, following a proceeding as provided in § 2.2-4019, the Commissioner may issue a special order (i) for violation of any of the provisions of this subtitle, § 54.1-3408, or any regulation adopted under any provision of this subtitle which violation adversely affects, or is an imminent and substantial threat to, the health, safety, or welfare of the person cared for therein, or (ii) for permitting, aiding, or abetting the commission of any illegal act in an assisted living facility, adult day care center, or child welfare agency. Notice of the Commissioner's intent to take any of the actions enumerated in subdivisions B 1 through B 7 shall be provided by the Department and a copy of such notice shall be posted in a prominent place at each public entrance of the licensed premises to advise consumers of serious or persistent violations. The issuance of a special order shall be considered a case decision as defined in § 2.2-4001. The Commissioner shall not delegate his authority to impose civil penalties in conjunction with the issuance of special orders.

B. The Commissioner may take the following actions regarding assisted living facilities, adult day care centers, and child welfare agencies through the issuance of a special order and may require a copy of the special order provided by the Department to be posted in a prominent place at each public entrance of the licensed premises to advise consumers of serious or persistent violations:

1. Place a licensee on probation upon finding that the licensee is substantially out of compliance with the terms of its license and that the health and safety of residents, participants, or children are at risk;

2. Reduce licensed capacity or prohibit new admissions when the Commissioner concludes that the licensee cannot make necessary corrections to achieve compliance with regulations except by a temporary restriction of its scope of service;

CODE OF VIRGINIA

Effective July 1, 2012

3. Mandate training for the licensee or licensee's employees, with any costs to be borne by the licensee, when the Commissioner concludes that the lack of such training has led directly to violations of regulations;

4. Assess civil penalties for each day the assisted living facility is or was out of compliance with the terms of its license and the health, safety, and welfare of residents are at risk, which shall be paid into the state treasury and credited to the Assisted Living Facility Education, Training, and Technical Assistance Fund created pursuant to § 63.2-1803.1. The aggregate amount of such civil penalties shall not exceed \$10,000 for assisted living facilities in any 24-month period. Criteria for imposition of civil penalties and amounts, expressed in ranges, shall be developed by the Board, and shall be based upon the severity, pervasiveness, duration, and degree of risk to the health, safety, or welfare of residents. Such civil penalties shall be applied by the Commissioner in a consistent manner. Such criteria shall also provide that (i) the Commissioner may accept a plan of correction, including a schedule of compliance, from an assisted living facility prior to setting a civil penalty, and (ii) the Commissioner may reduce or abate the penalty amount if the facility complies with the plan of correction within its terms.

A single act, omission, or incident shall not give rise to imposition of multiple civil penalties even though such act, omission, or incident may violate more than one statute or regulation. A civil penalty that is not appealed becomes due on the first day after the appeal period expires. The license of an assisted living facility that has failed to pay a civil penalty due under this section shall not be renewed until the civil penalty has been paid in full, with interest, provided that the Commissioner may renew a license when an unpaid civil penalty is the subject of a pending appeal;

5. Assess civil penalties of not more than \$500 per inspection upon finding that the adult day care center or child welfare agency is substantially out of compliance with the terms of its license and the health and safety of residents, participants, or children are at risk;

6. Require licensees to contact parents, guardians, or other responsible persons in writing regarding health and safety violations; and

7. Prevent licensees who are substantially out of compliance with the licensure terms or in violation of the regulations from receiving public funds.

C. The Board shall adopt regulations to implement the provisions of this section. (2005, cc. 610, 924.)

§ 63.2-1709.3. Child-placing agencies; conscience clause.

A. To the extent allowed by federal law, no private child-placing agency shall be required to perform, assist, counsel, recommend, consent to, refer, or participate in any placement of a child for foster care or adoption when the proposed placement would violate the agency's written religious or moral convictions or policies.

B. The Commissioner shall not deny an application for an initial license or renewal of a license or revoke the license of a private child-placing agency because of the agency's objection to performing, assisting, counseling, recommending, consenting to, referring, or participating in a placement that violates the agency's written religious or moral convictions or policies.

C. A state or local government entity may not deny a private child-placing agency any grant, contract, or participation in a government program because of the agency's objection to performing, assisting, counseling, recommending, consenting to, referring, or participating in a placement that violates the agency's written religious or moral convictions or policies.

CODE OF VIRGINIA

Effective July 1, 2012

D. Refusal of a private child-placing agency to perform, assist, counsel, recommend, consent to, refer, or participate in a placement that violates the agency's written religious or moral convictions or policies shall not form the basis of any claim for damages.

§ 63.2-1710. Appeal from refusal, denial of renewal or revocation of license.

A. Whenever the Commissioner refuses to issue a license or to renew a license, or revokes a license for an assisted living facility, adult day care center or child welfare agency, the provisions of the Administrative Process Act (§ 2.2-4000 et seq.) shall apply, except that all appeals from notice of the Commissioner's intent to refuse to issue or renew, or revoke a license shall be received in writing from the assisted living facility, adult day care center or child welfare agency operator within fifteen days of the date of receipt of the notice. Judicial review of a final review agency decision shall be in accordance with the provisions of the Administrative Process Act. No stay may be granted upon appeal to the Virginia Supreme Court.

B. In every appeal to a court of record, the Commissioner shall be named defendant.

C. An appeal, taken as provided in this section, shall operate to stay any criminal prosecution for operation without a license.

D. When issuance or renewal of a license as an assisted living facility or adult day care center has been refused by the Commissioner, the applicant shall not thereafter for a period of one year apply again for such license unless the Commissioner in his sole discretion believes that there has been such a change in the conditions on account of which he refused the prior application as to justify considering the new application. When an appeal is taken by the applicant pursuant to subsection A, the one-year period shall be extended until a final decision has been rendered on appeal.

E. When issuance or renewal of a license for a child welfare agency has been refused by the Commissioner, the applicant shall not thereafter for a period of six months apply again for such license unless the Commissioner in his sole discretion believes that there has been such a change in the conditions on account of which he refused the prior application as to justify considering the new application. 12. A certified preschool or nursery school program operated by a private school that is accredited by a statewide accrediting organization recognized by the State Board of Education or accredited by the National Association for the Education of Young Children's National Academy of Early Childhood Programs; the Association of Christian Schools International; the American Association of Christian Schools; the National Early Childhood Program Accreditation; the National Accreditation Council for Early Childhood Professional Personnel and Programs; the International Academy for Private Education; the American Montessori Society; the International Accreditation and Certification of Childhood Educators, Programs, and Trainers; or the National Accreditation Commission that complies with the provisions of § 63.2-1717.

§ 63.2-1716. Child day center operated by religious institution exempt from licensure; annual statement and documentary evidence required; enforcement; injunctive relief.

A. Notwithstanding any other provisions of this chapter, a child day center, including a child day center that is a child welfare agency operated or conducted under the auspices of a religious institution shall be exempt from the licensure requirements of this subtitle, but shall comply with the provisions of this section unless it chooses to be licensed. If such religious institution chooses not to be licensed, it shall file with the Commissioner, prior to beginning operation of a child day center and thereafter annually, a statement of intent to operate a child day center, certification that the child day center has disclosed in writing to the parents or guardians of the children in the center the fact that it is exempt from licensure, the qualifications of the personnel employed therein and documentary evidence that:

1. Such religious institution has tax exempt status as a nonprofit religious institution in accordance with § 501(c) of the Internal Revenue Code of 1954, as amended, or that the real property owned and exclusively occupied by the religious institution is exempt from local taxation.

2. Within the prior 90 days for the initial exemption and within the prior 180 days for exemptions thereafter, the local health department and local fire marshal or Office of the State Fire Marshal, whichever is appropriate, have inspected the physical facilities of the child day center and have determined that the center is in compliance with applicable laws and regulations with regard to food service activities, health and sanitation, water supply, building codes, and the Statewide Fire Prevention Code or the Uniform Statewide Building Code.

3. The child day center employs supervisory personnel according to the following ratio of staff to children:

- a. One staff member to four children from zero to twenty-four months.
- b. One staff member to ten children from ages twenty-four months to six years.
- c. One staff member to twenty-five children ages six years and older.

Staff shall be counted in the required staff-to-children ratios only when they are directly supervising children. In each grouping of children, at least one adult staff member shall be regularly present. However, during designated daily rest periods and designated sleep periods of evening and overnight care programs, for children ages 24 months to six years, only one staff member shall be required to be present with the children under supervision. In such cases, at least one staff member shall be physically present in the same space as the children under supervision at all times. Other staff members counted for purposes of the staff-to-child ratio need not be physically present in the same space as the resting or sleeping children, but shall be present on the same floor as the resting or sleeping children and shall have no barrier to their immediate access to the resting or sleeping children. The staff member who is physically present in the same space as the sleeping children shall be able to summon additional staff counted in the staff-to-child ratio without leaving the space in which the resting or sleeping children are located. Staff members shall be at least 16 years of age. Staff members under 18 years of age shall be under the supervision of an adult staff member. Adult staff members shall supervise no more than two staff members under 18 years of age at any given time.

4. Each person in a supervisory position has been certified by a practicing physician or physician assistant to be free from any disability which would prevent him from caring for children under his supervision.

5. The center is in compliance with the requirements of:
- a. This section.

5. Documentation that the school has disclosed the following in writing to the parents, guardians, or persons having charge of a child enrolled in the school's preschool program, and in a written statement available to the general public: (i) the school facility is in compliance with applicable laws and regulations pertaining to food services, health and sanitation, water supply, building codes, and the Statewide Fire Prevention Code or the Uniform Statewide Building Code, (ii) the preschool program's maximum capacity, (iii) the school's policy or practice for pupil-teacher ratio, staffing patterns and staff health requirements, and (iv) a description of the school's public liability insurance, if any;

F. A preschool program of a private school that has not been accredited as provided in subsection A, or which has not provided documentation to the Commissioner that it has initiated the accreditation process, shall be subject to licensure.

The Commissioner shall issue a provisional certificate to a private school which provides documentation to the Commissioner that it has initiated the accreditation process. The provisional certificate shall permit the school to operate its preschool program during the accreditation process period. The issuance of an initial provisional certificate shall be for a period not to exceed one year. A provisional certificate may be renewed up to an additional year if the accrediting organization provides a statement indicating it has visited the school within the previous six months and the school has made sufficient progress. Such programs shall not be subject to licensure during the provisional certification period.

CODE OF VIRGINIA

Effective July 1, 2012

G. If a school fails to complete the accreditation process or is denied accreditation, the Commissioner shall revoke the provisional certification and the program shall thereafter be subject to licensure.

H. If the preschool program of a private school which is accredited as provided in subsection A fails to file the statement and the required documentary evidence, the Commissioner shall notify the school of its noncompliance and may thereafter take such action as he determines appropriate, including notice that the program is required to be licensed.

I. The revocation or denial of the certification of a preschool program shall be subject to appeal pursuant to the provisions of the Administrative Process Act (§ 2.2-4000 et seq.). Judicial review of a final agency decision shall be in accordance with the provisions of the Administrative Process Act.

J. Any person who has reason to believe that a private school falling within the provisions of this section is in noncompliance with any applicable requirement of this section may report the same to the Department, the local department, the local health department, or the local fire marshal, each of which may inspect the school for noncompliance, give reasonable notice to the school of the nature of its noncompliance, and thereafter may take appropriate action as provided by law, including a suit to enjoin the operation of the preschool program.

K. Upon receipt of a complaint concerning a certified preschool program of an accredited private school, or of a private school to which provisional certification has been issued, if for good cause shown there is reason to suspect that the school is in noncompliance with any provision of this section or the health or safety of the children attending the preschool program is in danger, the Commissioner shall cause an investigation to be made, including on-site visits as he deems necessary of the services, personnel, and facilities of the school's program. The school shall afford the Commissioner reasonable opportunity to inspect the school's program, records, and facility, and to interview the employees and any child or parent or guardian of a child who is or has been enrolled in the preschool program. If, upon completion of the investigation, it is determined that the school is in noncompliance with the provisions of this section, the Commissioner shall give reasonable notice to the school of the nature of its noncompliance and thereafter may take appropriate action as provided by law, including a suit to enjoin the operation of the preschool program.

L. Failure of a private school to comply with the provisions of this section, or a finding that the health and safety of the children attending the preschool program are in clear and substantial danger upon the completion of an investigation, shall be grounds for revocation of the certification issued pursuant to this section.

M. If a private school operates a child day program outside the scope of its instructional classes during the school year or operates a child day program during the summer, the child day program shall be subject to licensure under the regulations adopted pursuant to § 63.2-1734.

N. Nothing in this section shall prohibit a preschool operated by or conducted under the auspices of a private school from obtaining a license pursuant to this subtitle.

(1993, cc. 730, 742, § 63.1-196.3:1; 1994, cc. 837, 940; 1999, c. 454; 2002, c. 747; 2003, c. 467.)

§ 63.2-1718. Inspection of unlicensed child or adult care operations; inspection warrant.

In order to perform his duties under this subtitle, the Commissioner may enter and inspect any unlicensed child or adult care operation with the consent of the owner or person in charge, or pursuant to a warrant. Administrative search warrants for inspections of child or adult care operations, based upon a petition demonstrating probable cause and supported by an affidavit, may be issued ex parte by any judge having authority to issue criminal warrants whose territorial

CODE OF VIRGINIA

Effective July 1, 2012

jurisdiction includes the child or adult care operation to be inspected, if he is satisfied from the petition and affidavit that there is reasonable and probable cause for the inspection. The affidavit shall contain either a statement that consent to inspect has been sought and refused, or that facts and circumstances exist reasonably justifying the failure to seek such consent. Such facts may include, without limitation, past refusals to permit inspection or facts establishing reason to believe that seeking consent would provide an opportunity to conceal violations of statutes or regulations. Probable cause may be demonstrated by an affidavit showing probable cause to believe that the child or adult care operation is in violation of any provision of this subtitle or any regulation adopted pursuant to this subtitle, or upon a showing that the inspection is to be made pursuant to a reasonable administrative plan for the administration of this subtitle. The inspection of a child or adult care operation that has been the subject of a complaint pursuant to § 63.2-1728 shall have preeminent priority over any other inspections of child or adult care operations to be made by the Commissioner unless the complaint on its face or in the context of information known to the Commissioner discloses that the complaint has been brought to harass, to retaliate, or otherwise to achieve an improper purpose, and that the improper purpose casts serious doubt on the veracity of the complaint. (1993, cc. 730, 742, § 63.1-198.04; 2002, c. 747.)

§ 63.2-1728. Establishment of toll-free telephone line for complaints; investigation on receipt of complaints.

With such funds as are appropriated for this purpose, the Commissioner shall establish a toll-free telephone line to respond to complaints regarding operations of assisted living facilities, adult day care centers and child welfare agencies. Upon receipt of a complaint concerning the operation of an assisted living facility, adult day care center or child welfare agency, regardless of whether the program is subject to licensure, the Commissioner shall, for good cause shown, cause an investigation to be made, including on-site visits as he deems necessary, of the activities, services, records and facilities. The assisted living facility, adult day care center or child welfare agency shall afford the Commissioner reasonable opportunity to inspect all of the operator's activities, services, records and facilities and to interview its agents and employees and any child or other person within its custody or control. Whenever an assisted living facility, adult day care center or child welfare agency subject to inspection under this section is determined by the Commissioner to be in noncompliance with the provisions of this subtitle or with regulations adopted pursuant to this subtitle, the Commissioner shall give reasonable notice to the assisted living facility, adult day care center or child welfare agency of the nature of its noncompliance and may thereafter take appropriate action as provided by law, including a suit to enjoin the operation of the assisted living facility, adult day care center or child welfare agency. An incident report filed by an assisted living facility, pursuant to regulations adopted by the Board, for any major incident that negatively affects or threatens the life, health, safety, or welfare of any resident of the facility shall not be considered a complaint for purposes of this section and shall not be posted by the Department on a website maintained by the Department. However, upon receipt of an incident report for any major incident that negatively affects or threatens the life, health, safety, or welfare of any resident of an assisted living facility, the Commissioner may initiate an investigation including an on-site visit to the facility if the Commissioner finds, for good cause shown based upon the seriousness of the incident and the nature of any response to the incident, including any implementation of a plan of correction to address the situation giving rise to the incident, that an investigation is required to protect the life, health, safety, or welfare of a resident of the assisted living facility. (1993, cc, 730, 742, § 63.1-198.03; 2002, c. 747; 2010, c. 603.)

Whenever the Department conducts inspections and investigations in response to complaints received from the public, the identity of the complainant and the identity of any resident, participant or child who is the subject of the complaint, or identified therein, shall be confidential and shall not be open to inspection by members of the public. Identities of the complainant and resident, participant or child who is the subject of the complaint shall be revealed only if a court order so requires. Nothing contained herein shall prevent the Department, in its discretion, from disclosing to the assisted living facility, adult day care center or child welfare agency the nature of the complaint or the identity of the resident, participant or child who is the subject of the complaint. Nothing contained herein shall prevent the Department or its employees from making reports under Chapter 15 (§ 63.2-1500 et seq.) of this title or Article 2 (§ 63.2-1603 et seq.) of Chapter 16 of this title. If the Department intends to rely, in whole or in part, on any statements made by the complainant, at any administrative hearing brought against the assisted living facility, adult day care center or child welfare agency, the Department shall disclose the identity of the complainant to the assisted living facility, adult day care center or

§ 63.2-1736. Interagency agreements; cooperation of Department with other departments.

The Department is authorized to enter into interagency agreements with other state agencies to develop and implement regulations. Any state agency identified by the Department as appropriate to include in an interagency agreement shall participate in the development and implementation of the agreement. The Department shall assist and cooperate with other state departments in fulfilling their respective inspection responsibilities and in coordinating the regulations involving inspections. The Board may adopt regulations allowing the Department to so assist and cooperate with other state departments. (1991, c. 532, § 63.1-178.1; 1993, cc. 957, 993; 2002, c. 747.)

§ 63.2-1737. Licensure of group homes and residential facilities for children.

A. Notwithstanding any other provisions of this subtitle, the Department shall cooperate with other state departments in fulfilling their respective licensing and certification responsibilities of children's residential facilities. The Board shall adopt regulations establishing the Department as the single licensing agency for the regulation of children's residential facilities, including group homes, which provide social services programs, with the exception of educational programs licensed by the Department of Education and facilities regulated by the Department of Juvenile Justice. Notwithstanding any other provisions of this chapter, licenses issued to children's residential facilities may be issued for periods of up to 36 successive months.

B. The Board's regulations for the regulation of children's residential facilities shall address the services required to be provided in such facilities as it may deem appropriate to ensure the health and safety of the children. In addition, the Board's regulations shall include, but shall not be limited to (i) specifications for the structure and accommodations of such facilities according to the needs of the children; (ii) rules concerning allowable activities, local government- and facility-imposed curfews, and study, recreational, and bedtime hours; and (iii) a requirement that each facility have a community liaison who shall be responsible for facilitating cooperative relationships with the neighbors, the school system, local law enforcement, local government officials, and the community at large.

C. Notwithstanding any other provisions of this chapter, any facility licensed by the Commissioner as a child-caring institution as of January 1, 1987, and that receives no public funds shall be licensed under minimum standards for licensed child-caring institutions as adopted by the Board and in effect on January 1, 1987. Effective January 1, 1987, all children's residential facilities shall be licensed under the regulations for children's residential facilities.

D. Pursuant to the procedures set forth in subsection E and in addition to the authority for other disciplinary actions provided in this title, the Commissioner may issue a summary order of suspension of the license of any group home or residential facility for children, in conjunction with any proceeding for revocation, denial, or other action, when conditions or practices exist in the home or facility that pose an immediate and substantial threat to the health, safety, and welfare of the children who are residents and the Commissioner believes the operation of the home or facility should be suspended during the pendency of such proceeding.

CODE OF VIRGINIA

Effective July 1, 2012

E. The summary order of suspension shall take effect upon its issuance and shall be served on the licensee or its designee as soon as practicable thereafter by personal service and certified mail, return receipt requested, to the address of record of the licensee. The order shall state the time, date, and location of a hearing to determine whether the suspension is appropriate. Such hearing shall be held no later than three business days after the issuance of the summary order of suspension and shall be convened by the Commissioner or his designee.

After such hearing, the Commissioner may issue a final order of summary suspension or may find that such summary suspension is not warranted by the facts and circumstances presented. A final order of summary suspension shall include notice that the licensee may appeal the Commissioner's decision to the appropriate circuit court no later than 10 days following issuance of the order. The sole issue before the court shall be whether the Commissioner had reasonable grounds to require the licensee to cease operations during the pendency of the concurrent revocation, denial, or other proceeding. The concurrent revocation, denial, or other proceeding shall not be affected by the outcome of any hearing on the appropriateness of the summary suspension.

The willful and material failure to comply with the summary order of suspension or final order of summary suspension shall be punishable as a Class 2 misdemeanor. The Commissioner may require the cooperation of any other agency or subdivision of the Commonwealth in the relocation of children who are residents of a home or facility whose license has been summarily suspended pursuant to this section and in any other actions necessary to reduce the risk of further harm to such residents.

F. In addition to the requirements set forth in subsection B, the Board's regulations shall require, as a condition of initial licensure or, if appropriate, license renewal, that the applicant shall: (i) be personally interviewed by Department personnel to determine the qualifications of the owner or operator before granting an initial license; (ii) provide evidence of having relevant prior experience before any initial license is granted; (iii) provide, as a condition of initial license or renewal licensure, evidence of staff participation in training on appropriate siting of the residential facilities for children, good neighbor policies, community relations, and shaken baby syndrome and its effects; and (iv) be required to screen residents prior to admission to exclude individuals with behavioral issues, such as histories of violence, that cannot be managed in the relevant residential facility.

G. In addition, the Department shall:

1. Notify relevant local governments and placing and funding agencies, including the Office of Comprehensive Services, of multiple health and safety or human rights violations in residential facilities for which the Department serves as lead licensure agency when such violations result in the lowering of the licensure status of the facility to provisional;

2. Post on the Department's website information concerning the application for initial licensure of or renewal, denial, or provisional licensure of any residential facility for children located in the locality;

3. Require all licensees to self-report lawsuits against or settlements with residential facility operators relating to the health and safety or human rights of residents and any criminal charges that may have been made relating to the health and safety or human rights of residents;

4. Require proof of contractual agreements or staff expertise to provide educational services, counseling services, psychological services, medical services, or any other services needed to serve the residents in accordance with the facility's operational plan;

CODE OF VIRGINIA

Effective July 1, 2012

5. Disseminate to local governments, or post on the Department's website, an accurate (updated weekly or monthly as necessary) list of licensed and operating group homes and other residential facilities for children by locality with information on services and identification of the lead licensure agency; and

6. Modify the term of the license at any time during the term of the license based on a change in compliance. (1979, c. 218, § 63.1-196.4; 1984, c. 55; 1987, c. 578; 1992, c. 666; 2002, c. 747; 2005, cc. 358, 471; 2006, cc. 168, 781; 2008, c. 873; 2010, c. 551.)

The Commissioner may also approve training programs provided by other entities and allow owners or administrators to attend such approved training programs in lieu of training by the Commissioner. The Commissioner may also approve for licensure applicants who meet requisite experience criteria as established by the Board. The Commissioner may, at his discretion, issue a license conditioned upon the owner or administrator's completion of the required training.

D. For the purpose of facilitating the prompt restoration of electrical service and prioritization of customers during widespread power outages, the Commissioner shall notify on a quarterly basis all electric utilities serving customers in Virginia as to the location of all assisted living facilities licensed in the Commonwealth. The requirements of this subsection shall be met if the Commissioner maintains such information on an electronic database accessible by electric utilities serving customers in Virginia. § 63.2-1803. Staffing of assisted living facilities.

A. An administrator of an assisted living facility shall be licensed as an assisted living facility administrator by the Virginia Board of Long-Term Care Administrators pursuant to Chapter 31 (§ 54.1-3100 et seq.) of Title 54.1. However, an administrator of an assisted living facility licensed for residential living care only shall not be required to be licensed. Any person meeting the qualifications for a licensed nursing home administrator under § 54.1-3103 shall be deemed qualified to (i) serve as an administrator of an assisted living facility or (ii) serve as the administrator of both an assisted living facility and a licensed nursing home, provided the assisted living facility and licensed nursing home are part of the same building.

B. If a licensed assisted living facility administrator dies, resigns, is discharged, or becomes unable to perform his duties, the assisted living facility shall immediately employ a licensed administrator or appoint an acting administrator who is qualified by education for an approved administrator-in-training program and has a minimum of one year of administrative or supervisory experience in a health care or long-term care facility, or has completed such a program and is awaiting licensure. The facility shall give immediate notice to the regional licensing office of the Department of Social Services and to the Board of Long-Term Care Administrators and shall provide the last date of employment of the licensed administrator. When an acting administrator is named, he shall notify the Department of his employment and, if intending to assume the position permanently, submit a completed application for an approved administrator-in-training program to the Board of Long-Term Care Administrators within 10 days of employment. An assisted living facility may be operated by an acting administrator for no more than 150 days, or not more than 90 days if the acting administrator has not applied for licensure, from the last date of employment of the licensed administrator.

C. The Department may grant an extension of up to 30 days in addition to the 150 days from the last date of employment of a licensed administrator if the acting administrator has applied for licensure as a long-term care administrator pursuant to Chapter 31 (§ [54.1-3100](#) et seq.) of Title 54.1, has completed the administrator-in-training program, and is awaiting the results of the national examination. If a 30-day extension is granted, the acting administrator shall immediately submit written notice to the Board of Long-Term Care Administrators. In no case shall an assisted living facility be operated with an acting administrator for more than 180 days, including the 30-day extension, from the last date of employment of a licensed administrator.

D. No assisted living facility shall operate under the supervision of an acting administrator pursuant to § [54.1-3103.1](#) and this section more than one time during any two-year period unless authorized to do so by the Department. Determinations regarding authorization to operate under the supervision of an acting administrator for more than one time in any two-year period shall be made by the Department on a case-by-case basis.

E. The assisted living facility shall have adequate, appropriate, and sufficient staff to provide services to attain and maintain (i) the physical, mental and psychosocial well-being of each resident as determined by resident assessments and individual plans of care and (ii) the physical safety of the residents on the premises. Upon admission and upon request, the assisted living facility shall provide in writing a description of the types of staff working in the facility and the services provided, including the hours such services are available. § 63.2-1803.1. Assisted Living Facility Education, Training, and Technical Assistance Fund established.

There is hereby created in the state treasury a special nonreverting fund to be known as the Assisted Living Facility Education, Training, and Technical Assistance Fund, hereafter referred to as "the Fund." The Fund shall be established on the books of the Comptroller. All penalties directed to this fund by subdivision B 4 of § 63.2-1709.2 and all other funds from any public or private source directed to the Fund shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purpose of providing education and training for staff of and technical assistance to assisted living facilities to improve the quality of care in such facilities. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Commissioner. (2005, cc. 610, 924.)

§ 63.2-1804. Uniform assessment instrument.

A uniform assessment instrument setting forth a resident's care needs shall be completed for all residents upon admission and at subsequent intervals as determined by Board regulation. No uniform assessment instrument shall be required to be completed upon admission if a uniform assessment instrument was completed by a case manager or other qualified assessor within ninety days prior to such admission to the assisted living facility unless there has been a change in the resident's condition within that time which would affect the admission. Uniform assessment instruments shall not be required to be completed more often than once every twelve months on individuals residing in assisted living facilities except that uniform assessment instruments shall be completed whenever there is a change in the resident's condition that appears to warrant a change in the resident's approved level of care. At the request of the assisted living facility, the resident's representative, the resident's physician, the Department or the local department, an independent assessment, using the uniform assessment instrument shall be completed to determine whether the resident's care needs are being met in the current placement. The resident's case manager or other qualified assessor shall complete the uniform assessment instrument for public pay residents or, upon request by the private pay resident, for private pay residents. Unless a private pay resident requests the uniform assessment instrument be completed by a case manager or other qualified assessor, qualified staff of the assisted living facility or an independent private physician may complete the uniform assessment instrument for private pay residents; however, for private pay residents, social and financial information which is not relevant because of the resident's payment status shall not be required. The cost of administering the uniform assessment instrument pursuant to this section shall be borne by the entity designated pursuant to Board regulations. Upon receiving the uniform assessment instrument prior to admission of a resident, the assisted living facility administrator shall provide written assurance that the facility has the appropriate license to meet the care needs of the resident at the time of admission. § 63.2-1805. Admissions and discharge.

A. The Board shall adopt regulations:

1. Governing admissions to assisted living facilities;
2. Requiring that each assisted living facility prepare and provide a statement, in a format prescribed by the Department, to any prospective resident and his legal representative, if any, prior to admission and upon request, that discloses information, fully and accurately in plain language, about the (i) services; (ii) fees, including clear information about what services are included in the base fee and any fees for additional services; (iii) admission, transfer, and discharge criteria, including criteria for transfer to another level of care within the same facility or complex; (iv) general number and qualifications of staff on each shift; (v) range, frequency, and number of activities provided for residents; and (vi) ownership structure of the facility;
3. Establishing a process to ensure that each resident admitted or retained in an assisted living facility receives appropriate services and periodic independent reassessments and reassessments when there is a significant change in the resident's condition in order to determine whether a resident's needs can continue to be met by the facility and whether continued placement in the facility is in the best interests of the resident;
4. Governing appropriate discharge planning for residents whose care needs can no longer be met by the facility;
5. Addressing the involuntary discharge of residents;
6. Requiring that residents are informed of their rights pursuant to § [63.2-1808](#) at the time of admission;
7. Establishing a process to ensure that any resident temporarily detained in a facility pursuant to §§ [37.2-809](#) through [37.2-813](#) is accepted back in the assisted living facility if the resident is not involuntarily admitted pursuant to §§ [37.2-814](#) through [37.2-819](#); and
8. Requiring that each assisted living facility train all employees who are mandated to report adult abuse, neglect, or exploitation pursuant to § [63.2-1606](#) on such reporting procedures and the consequences for failing to make a required report.

B. If there are observed behaviors or patterns of behavior indicative of mental illness, intellectual disability, substance abuse, or behavioral disorders, as documented in the uniform assessment instrument completed pursuant to § [63.2-1804](#), the facility administrator or designated staff member shall ensure that an evaluation of the individual is or has been conducted by a qualified professional as defined in regulations. If the evaluation indicates a need for mental health, developmental, substance abuse, or behavioral disorder services, the facility shall provide (i) a notification of the resident's need for such services to the authorized contact person of record when available and (ii) a notification of the resident's need for such services to the community services board or behavioral health authority established pursuant to Title 37.2 that serves the city or county in which the facility is located, or other appropriate licensed provider. The Department shall not take adverse action against a facility that has demonstrated and documented a continual good faith effort to meet the requirements of this subsection.

C. The Department shall not order the removal of a resident from an assisted living facility if (i) the resident, the resident's family, the resident's physician, and the facility consent to the resident's continued stay in the assisted living facility and (ii) the facility is capable of providing, obtaining, or arranging for the provision of necessary services for the resident, including, but not limited to, home health care and/or hospice care.

D. Upon filing an initial statement of intent to operate as a life-sharing community, and every two years thereafter, the life-sharing community shall provide the Commissioner documentary evidence that:

The Commissioner may revoke the exemption from licensure pursuant to this chapter for any life-sharing community for serious or repeated violation of the requirements of this section and order that the facility cease operations or comply with the licensure requirements of an assisted living facility. If a life-sharing community does not file the statement and documentary evidence required by this section, the Commissioner shall give reasonable notice to such life-sharing community of the nature of its noncompliance and may thereafter take action as he determines appropriate, including a suit to enjoin the operation of the life-sharing community.

G. All life-sharing communities shall provide access to their facilities and residents by staff of community services boards and behavioral health authorities as defined in § [37.2-100](#) for the purpose of (i) assessing or evaluating, (ii) providing case management or other services or assistance, or (iii) monitoring the care of individuals receiving services who are residing in the facility.
